RE: Access Notification for Parcels 12 & 14, Fort Wingate Depot Activity, McKinley County, New Mexico

Dear Dr. Howerton:

The Department of the Army respectfully submits this notification of its intention to temporarily access Parcels 12 & 14, which was part of Fort Wingate Depot Activity prior to being transferred to the Department of the Interior on August 3, 2017. Two archaeological sites (LA106970 and LA106973) located in both parcels require field delineation, necessitating temporary access to fully horizontally delineate each sites boundary. The Army will be accessing Parcels 12 & 14 in accordance with the terms of the Letter of Transfer between the Army and DOI, and in compliance with Section 2829F (b) (2) *Access for Environmental Response Actions* of the National Defense Authorization Act enacted on December 23, 2016. The work will begin on June 20, 2019 and will be completed on June 21, 2019. The Army is conducting the work to comply with the 2008 Programmatic Agreement (as amended), as well as Section 110 of the National Historic Preservation Act (as amended).
