RE: Access Notification for Parcel 10A, Fort Wingate Depot Activity, McKinley County, New Mexico

Dear Dr. Howerton:

The Department of the Army respectfully submits this notification of its intention to temporarily access Parcel 10A, which was part of Fort Wingate Depot Activity prior to being transferred to the Department of the Interior on August 3, 2017. One archaeological site (LA106930/LA6364) located in the parcel requires field delineation, necessitating temporary access to fully horizontally delineate the sites boundaries. The Army will be accessing Parcel 10A in accordance with the terms of the Letter of Transfer between the Army and DOI, and in compliance with Section 2829F (b) (2) *Access for Environmental Response Actions* of the National Defense Authorization Act enacted on December 23, 2016. The work will begin on July 1, 2019 and will be completed on July 2, 2019. The Army is conducting the work to comply with the 2008 Programmatic Agreement (as amended), as well as Section 110 of the National Historic Preservation Act (as amended).

If you have questions or require further information concerning the above, please contact Mr. Seth Sampson (Archaeologist) Environmental Branch, Regional Planning and Environmental Center at (501) 340-1049, seth.sampson@usace.army.mil or contact me at (505) 721-9770.
