**RE: THIRD EXTENSION REQUEST
FINAL PARCEL 20 RCRA FACILITY INVESTIGATION WORK PLAN
FORT WINGATE DEPOT ACTIVITY
MCKINLEY COUNTY, NEW MEXICO
EPA # NM6213820974
HWB-FWDA-15-015**

Dear Messrs. Patterson and Smith:

The New Mexico Environment Department (NMED) is in receipt of the Fort Wingate Depot Activity's (Permittee) letter requesting an extension for the revised *Final Parcel 20 RCRA Facility Investigation Work Plan (Plan)*, dated March 21, 2018 and received March 26, 2018. The Permittee requires additional time to prepare the revised document. In addition, the Army has encountered delays in contracting efforts. This is the third extension request for this Plan (previous extensions were granted on August 9, 2016 and March 13, 2017). This extension effectively extends the submittal date approximately three and a half years from the original date of August 19, 2016.

The Permittee has shown good cause for an extension; therefore, NMED hereby grants the extension. The date to submit the revised Report has been changed to **March 31, 2020**, as requested.

Messrs. Patterson and Smith
April 3, 2018
