RCRA Permits Management Program
525 Camino De Los Marquez
P.O. Box 26110
Sante Fe, New Mexico 87502

Dear Mr. Dinwiddie:

This letter follows the Army's transmittal of the updated version of the RCRA Closure Plan for the Fort Wingate Depot Activity Open Burning/Open Detonation Grounds to your Department, and subject of your 23 December 1996 letter requesting the same.

Our records show that your office received the requested updated version of the 21 May 1996 Closure Plan on 23 December 1996, including deleted text shown in strike-out format and new text presented in an underlined format. Additionally, and as requested, three (3) hard copies were provided along with a copy on disk in WordPerfect 5.1 format. Your request for WordPerfect 5.2 format is noted and, at your further request, a WordPerfect 5.2 version can be provided.

If you have any questions, or require additional information, please contact Mr. Larry Fisher at 801-833-3504.

Sincerely,

THOMAS A. TURNER
Acting Director, Industrial
Risk Management
