MEMORANDUM FOR DIRECTOR OF PUBLIC WORKS & LOGISTICS, ATTN: Chief, Installation Support Division

SUBJECT: Environmental Documentation for Western Boundary Fence Construction at Fort Wingate Depot Activity (FWDA)

1. Enclosed is the Record of Environmental Consideration (REC) for the clearance and construction of a five-strand barbed wire fence along the FWDA Western Boundary of the OB/OD Area. Please return a signed copy of the REC to this office for the files.
2. The POC for this action is Larry Fisher at extension 3257.

Encl.

Larry Fisher
Environmental Engineer

RECORD OF ENVIRONMENTAL CONSIDERATION (REC)

To: Installation Environmental Coordinator

From: Chief, Installation Support Division

Project title: Western Boundary Fence Installation at Fort Wingate Depot Activity (FWDA).

Brief Description: Construction and clearance of a five-strand barbed wire fence along the FWDA Western Boundary of the OB/OD Area.

Anticipated date and/or duration of proposed action: September 2.2001. Will last for approx. 2 months.

Reason for using record of environmental consideration (choose one):

a. Adequately covered in an (EA, EIS) entitled (name), (dated). The EA/EIS may be reviewed at (location).

OR,

b. Is categorically excluded under the provision of CX A-7 AR 200-2, appendix A, (and no extraordinary circumstances exist as defined in paragraph 4-3), because

it is construction that does not significantly alter land use, and the operation of the project when completed does not have a significant environmental impact.
