Dear Mr. Patterson:

Firstly, I apologize for the delay in responding to your September 7, 2007 letter, and the letter dated September 21, 2007, from Eric Kirwan, Project Manager. As the project outlined in the cited letters is required by the December 2005 RCRA permit, this Region offers no objections to the Army and its Contractor to access Parcel 1 to conduct requirements of the RCRA permit. This concurrence is for Parcel 1 only.

Please note that you must also contact and seek concurrence from the Southwest Regional Director. Provide this Region with a copy of the letter of concurrence from the Southwest Region.

If you have any further questions or require additional information, contact me at (505) 863-8314, or the Division of Property at (505) 863-8223.

Sincerely,

Regional Director, Navajo
