Dear Mr. Kieling:

The purpose of this letter is to request an extension from March 3, 2014 for submittal of the Parcel 18, Eastern Landfill Investigation and Remediation Report at Fort Wingate Depot Activity as stated in your letter dated March 1, 2013. The Army is seeking an extension in time under Permit section I.M due to additional time needed to sample and test monitor wells, to prepare the Report, and allow for the Tribal review and comment incorporation. The Army is requesting an extension for the Report submittal to December 15, 2014.

If you have questions or require further information, please call me at 330-358-7312.

Sincerely,

Mark Patterson
BRAC Environmental Coordinator
