Dear Mr. Cushman:

The New Mexico Environment Department (NMED) received the *Final Hazardous Waste Management Unit Status Report, 2012-2018, Parcel 3 Revision (Report) Extension Request* (Request), dated November 24, 2020, submitted on behalf of the Fort Wingate Depot Activity (Permittee).

The Permittee requests an extra 120-days to complete revisions to the Report. NMED's November 20, 2012 Disapproval letter inadvertently included an incorrect date for submittal of the revised Report. NMED apologizes for this mistake. The Bureau is working to adopt procedures that will avoid this type of error in the future. NMED hereby approves the Permittee's Request; the Report must be submitted no later than **March 31, 2021**, as
