RE: Withdrawal Request for the Final Permittee-Initiated Interim Measures Work Plan,
Parcel 22 (Revision 1.0), Fort Wingate Depot Activity, New Mexico

Dear Mr. Kieling,

Based upon the New Mexico Environment Department (NMED) concurrence (email from Ben Wear dated 04 December 2018), the Army requests withdrawing the Parcel 22 Permittee Initiated Interim Measures (PIIM) Work Plan (WP) from NMED's review. NMED recommended holding off on submitting the Parcel 22 PIIM work plan until after the Parcel 22, Phase 2 RCRA Facility Investigation (RFI) results are evaluated (email from Ben Wear, August 1, 2018). On October 16, 2018, the Army decided to follow NMED's recommendation and not submit Parcel 22 PIIM WP until a later date.

This is an official request asking NMED to withdraw Parcel 22 PIIM WP for review until a later date. Please issue a letter confirming your decision regarding this matter.

If you have questions or require further information, please call me at (505) 721-9770.

Sincerely,
