RE: Second Extension Request for the Final RCRA Facility Investigation, Phase 2 Report, Parcel 21, Fort Wingate Depot Activity, McKinley County, New Mexico

Dear Mr. Kieling:

The purpose of this letter is to request an extension from January 2, 2019 to December 31, 2019 for the submission of the *Final RCRA Facility Investigation, Phase 2 Report, Parcel 21, Fort Wingate Depot Activity, New Mexico*.

The Army requested the first extension in order to separate the combined Parcel 21 Phase 2 RFI Report and the Parcel 21 Permittee-Initiated Interim Measures (PIIM) Work Plan (WP), Revision 1.0. NMED granted it on June 14, 2018. Preparation of the Parcel 21 Phase 2 RFI Report was outside of our contractor's scope of work. The Army requires additional time to obtain the necessary funding and to identify available staffing, whether in-house or through award of a new contract, to complete the document. As a result, the Army is requesting an extension in time under RCRA Permit Section I.M. to submit the Parcel 21 Phase 2 RFI Report until December 31, 2019.

If you have questions or require further information, please call me at (505) 721-9770.

Sincerely,
