RE: Extension Request for the Approval with Modifications, Final Parcel 3 Hazardous Waste Management Unit Progress Status Report for 2019, Fort Wingate Depot Activity, McKinley County, New Mexico. EPA# NM6213820974

Dear Mr. Pierard:

The purpose of this letter is to request a 15 day extension from the due date of May 7, 2021, to submit the Comment Responses to the New Mexico Environment Department (NMED) Approval with Modifications (AWM) letter dated March 8, 2021, for the Final, Parcel 3 Hazardous Waste Management Unit Progress Status Report, 2019, reference number HWB-FWDA-20-006.

The Army submitted an e-mail on Friday, April 16, 2021, to NMED requesting clarification for NDMA screening level, and is awaiting your response. The Army is seeking this extension in time under the RCRA Permit Section I.M., in order to incorporate NMED's input prior to submitting Army Responses, to better ensure the document meets NMED's requirements.

If you have questions or require further information, please contact me at George.h.cushman.civ@mail.mil, 703-455-3234 (Temporary Home Office, preferred) or 703-608-2245 (Mobile).

Sincerely,

George H. Cushman IV
