RE: Second Extension Request for the Final Permittee-Initiated Interim Measures Report, Parcel 6 (Revision 1.0), Fort Wingate Depot Activity, McKinley County, New Mexico

Dear Mr. Kieling:

The purpose of this letter is to request an extension from January 31, 2019 to December 31, 2019 for the submission of the *Final Permittee-Initiated Interim Measures Report, Parcel 6 (Revision 1.0), Fort Wingate Depot Activity, New Mexico*.

The Army requested the first extension in order to incorporate a summary of additional activities performed as part of the project and to address other comments by the NMED in the Disapproval Letter dated August 21, 2017. It was granted on June 7, 2018. The Army submitted the revised report "*Final Permittee-Initiated Interim Measures Report, Parcel 6 (Revision 1.0)*", dated July 27, 2018. NMED reviewed the Report and issued a Notice of Disapproval (NOD) dated November 7, 2018.

To address the latest NOD for the Parcel 6 PIIM Report, preparation is outside of our contractor's scope of work. The Army requires additional time to obtain the necessary funding and to identify available staffing, whether in-house or through award of a new contract, to complete the document. As a result, the Army is requesting an extension in time under RCRA Permit Section I.M. to submit the Parcel 6 PIIM Report until December 31, 2019.

If you have questions or require further information, please call me at (505) 721-9770.

Sincerely,
