RE: Extension Request for Parcel 3 Groundwater RCRA Facility Investigation Report, Revision 1, Fort Wingate Depot Activity, New Mexico (HWB-FWDA-18-001)

Dear Mr. Kieling,

The purpose of this letter is to request an extension from February 14, 2019 to May 30, 2019 for the submission of the Parcel 3 Groundwater RCRA Facility Investigation Report, Revision 1, Fort Wingate Depot Activity, New Mexico.

The Army is seeking an extension in time under RCRA Permit Section I.M. The requested extension is to allow the Army time to complete additional data quality reviews and to address edits, discussions and conclusions throughout the document where data was requested to be removed from the report. Also, time is need to coordinate with New Mexico Environment Department (NMED) concerning clarification and communication on several comments, and to evaluate changes to screening values in response to the December 21, 2018 update of the Water Quality Control Commission standards listed in the New Mexico Administrative Code.

If you have questions or require further information, please call me at (505) 721-9770.

Sincerely,
