RE: Extension Request for the Parcel 3 Hazardous Waste Management Unit Progress Report for 2019, Fort Wingate Depot Activity, McKinley County, New Mexico

Dear Mr. Pierard:

The purpose of this letter is to request an extension from June 30, 2020, to 90 days after the Army's receipt of NMED's comments on the Fort Wingate Depot Activity (FWDA) 2012-2018 Parcel 3 Hazardous Waste Management Unit (HWMU) Progress Report, for the submission of the FWDA Parcel 3 HWMU Progress Report for 2019.

The Army submitted the 2012-2018 Parcel 3 HWMU Progress Report on May 22, 2020. The Army will incorporate any comments from NMED on the 2012-2018 Parcel 3 HWMU Progress Report into the Parcel 3 HWMU Progress Report for 2019.

The Army is seeking extension in time under RCRA Permit Section I.M., in order to incorporate NMED comments on the first Progress Report to better ensure the 2019 document meets NMED's requirements.
