Subject: Kickout Investigation WP

Hello,

I received the revised Kickout Investigation Work Plan dated March 23, 2008. I have verified that all of the comments included in the Approval with Modifications letter dated June 5, 2008 have been addressed. Because the response to the previous Work Plan was an Approval with Modifications, NMED does not typically send a second response letter; therefore, I am sending this email to let you know that the work plan has been accepted and is complete.

Thanks,
Tammy
