RE: Final Phase 2 RCRA Facility Investigation Report for Munitions and Explosives of Concern Parcel 22 Solid Waste Management Units 12, 27, 70 and Areas of Concern 88A and 88B, Fort Wingate Activity Depot, McKinley County, New Mexico.

Dear Mr. Kieling,

The purpose of this letter is to request an extension from March 31, 2018 for the submittal of the revised Final Phase 2 RCRA Facility Investigation Report for Munitions and Explosives of Concern Parcel 22 Solid Waste Management Units 12, 27, 70 and Areas of Concern 88A and 88B, at Fort Wingate Depot Activity as stated in your letter dated June 26, 2016. The Army is seeking an extension in time under Permit section I.M due to additional time being needed to complete the field effort and prepare the report. In addition, the Army encountered unanticipated delays in contracting efforts which requires additional time. The Army is requesting an extension for the work plan submittal to March 31, 2020.

If you have questions or require further information, please call me at 505-721-9770.

Sincerely,
