RE: Notification to Perform Semi-Annual Groundwater Periodic Monitoring, Fort Wingate Depot Activity, McKinley County, New Mexico

Dear Mr. Kieling:

The Department of the Army respectfully submits this notification of its intention to perform the April 2018 semi-annual groundwater periodic monitoring event in accordance with the Resource Conservation and Recovery Act Permit, EPA ID# NM6213820974 Section V.A.1, issued by the New Mexico Environment Department on February 25, 2015.

The groundwater monitoring event will take place beginning April 23, 2018. The Army will collect groundwater levels from northern area groundwater wells and piezometers prior to commencing groundwater sampling activities. The event will take approximately two weeks to complete.

If you have questions or require further information, please call me at (505) 721-9770.

Sincerely,
