Dave,

We still plan on meeting with you and the other NMED folks March 12 at 9 MT. Should we come to your office at 2905 Rodeo Park Drive East, Building 1? . It will be Tom Lederle, George Cushman, Steve and me at the meeting.

I'll be retiring on March 31, 2020. George Cushman with the Army will be taking over my responsibilities. He is at the Pentagon. I've attached his vcard and his info is below. Please remove me from your mailing lists as of March 31 and replace me with George as the addressee on correspondence from NMED. He is expected to move to the BRACD HQ office sometime in April. He can provide you with updated information when he does. Any mail you send him at the Pentagon will take 2-3 weeks for him to get because of all the security. It will be better once he moves to BRACD HQ. Let George and me know if you have any questions.
