IMWS-PW (210-20)

MEMORANDUM FOR Mark C. Patterson, (330) 358-7312

SUBJECT: Real Property Planning Board Action 014-15, Minor Construction Request, Placement of One Temporary Work PIKA Pirnie Trailer at Fort Wingate Depot Activity

1. RPPBA 014-15 (Cover Letter) for the siting of the above referenced action is approved with the following comments:

a. The project administrator must provide the Master Planning Real Property Office a DD Form 1354, Transfer and Acceptance of Military Real Property. DD Form 1354 will be completed in accordance with UFC 1-300-08, March 2010. A Facility Request form needs to be submitted with part 1 completed and submitted prior to construction. POC is Ms. Aurora Arrieta, reached at phone number (575) 678-6657 or e-mail: aurora.arrieta.civ@mail.mil.

b. Prior to construction and during construction you must comply with stipulations of the Information Management Section (IM) as stipulated in the attached document. POC is Mr. Emmanuel Saucedo, Chief, Operations, (575) 678-3715.

c. At the completion of the contract all trailers must be removed and the site returned to its original condition.

2. During construction you must:

a. Ensure that no DMA survey markers will be destroyed, moved or damaged during construction and testing period.

b. Ensure that all debris and residue resulting from use of this project shall be removed from site upon completion of project.

3. The Information Management Directorate (IM) concurs with the following comments:

a. Concurrence by the undersigned is given. There are no communication cables in the area. If required, please contact IM Dan Ortega at 678-1793 or cell 993-6114, prior to excavation for locates.

b. There are no RF emissions planned for this facility. Please notify Mike Apodaca, Information Management Spectrum Manager, at 678-0123, to provide all required information if RF emissions are required.

c. WSMR SOP 380-2a, Photography. Persons taking photographs or collecting images who do not have an approved WSMR Photography Permit are subject to arrest, confiscation of any film or camera related equipment, and possible prosecution under the provisions of Title 18, Section 795, United States Code. All documentary photography on WSMR will be accomplished by the WSMR Electronic Documentation Branch (WSI-EE), or appropriate photography entity under contract to WSMR. Exceptions to this policy must be approved by the Garrison Information Security Specialist or Garrison Security Manager after coordination with the Electronic Documentation Branch.

d. All communications requirements should be identified and submitted to James Andersen, Service Management Section, 679-5123, for timely planning 60 to 90 days prior to the start of construction.

4. The Missile Defense Agency concurs with the following comment:

- a. Trailers will not be placed where it interferes with access for MDA operations. POC is James Fernandez, phone (575) 678-1945 or email: james.a.fernandez20.civ@mail.mil for any additional information.

5. Once final approval is granted, project must be sited and completed within two (2) years from date approved; otherwise final approval will be void.

6. If there are any questions, please contact Ms. April Banks, PW-M, 678-2252, e-mail: april.e.banks.civ@mail.mil.

JOSE A. GALLEGOS
Director, Public Works
