RE: SECOND EXTENSION REQUEST  
PARCEL 11 PHASE 2 RCRA FACILITY INVESTIGATION WORK PLAN  
FORT WINGATE DEPOT ACTIVITY  
MCKINLEY COUNTY, NEW MEXICO  
EPA # NM6213820974  
FWDA-15-018

Dear Messrs. Patterson and Smith:

The New Mexico Environment Department (NMED) is in receipt of the Fort Wingate Depot Activity (Permittee) letter requesting an extension for the Parcel 11 Phase 2 RCRA Facility Investigation Work Plan (Plan), dated April 25, 2018 and received May 3, 2018. The request was received after the Plan was due. This is the second extension request for the Plan (the previous extension was granted on May 2, 2017). The Permittee requests additional time to prepare the document.

The Permittee has shown good cause for an extension; therefore, NMED hereby grants the extension. The date to submit the revised Report has been changed to July 27, 2018, as requested.

For future extension requests, ensure that the request is submitted prior to the deadline for the document, preferably ten business days before.
If you have any questions regarding this letter, please contact Ben Wear at (505) 476-6041.

Sincerely,

John E. Kie1ing
Chief
Hazardous Waste Bureau
