RE: Parcel 3 Groundwater RCRA Facility Investigation Report Submission, Fort Wingate Depot Activity, McKinley County, New Mexico

Dear Mr. Kieling:

The purpose of this letter is to notify you of the submission of the Parcel 3 Groundwater RCRA Facility Investigation (RFI) Report for the Fort Wingate Depot Activity. The enclosed Groundwater RFI Report summarizes the methodology used to identify and delineate the lateral and vertical extent of the Parcel 3 groundwater contaminants, the identified contaminant source areas, an evaluation of the risk to human health, and provides recommendations for future consideration.

If you have questions or require further information, please call me at (505) 721-9770.

Sincerely,

Mark Patterson  
BRAC Environmental Coordinator
