RE: Tribal Review of *Final, Parcel 11, Phase 2, RCRA Facility Investigation Work Plan*
Fort Wingate Activity Depot, New Mexico

Dear Mr. Kieling:

Please let this letter serve as notification to the New Mexico Environment Department (NMED) that on October 29, 2015 both the Navajo Nation and the Pueblo of the Zuni received the *Final Parcel 11, Phase 2, RCRA Facility Investigation, Work Plan*, Ft. Wingate Activity Depot, McKinley County, New Mexico for review and comments. The 60-day Tribal review period for that document expired on December 27, 2015 and the Army has not received comments from either Tribe about this Work Plan.

Since the Tribes have not submitted any comments within the allotted review time, please send an approval letter for the subject document. If you have questions or if I can provide additional information please feel free to contact me at 330-358-7312.

Sincerely,

Mark Patterson
