Thanks Chuck.

Greg,

Work with Julie and Mike to provide Chuck updates.

Subject: [EXTERNAL] Water Tower Work Plan

Steve,

I've reviewed Army's Revised Letter Work Plan – Soil Testing and Removal at the Former Water Tower and Tank sites at Fort Wingate Depot Activity, dated May 20, 2015.

EPA approves this work plan. Please give me periodic, informal updates on the progress of this project.

Sincerely,

Chuck Hendrickson
